Picture this – you're at your bucks' chosen den, suited up and ready to party...and you tell your buck you've ordered the maxi taxi. A few minutes later, you step outside in time to see a gleaming black monster of a vehicle, full of chrome, tinted windows and wheels that look like they have been stolen from a tractor. "Well boys...rides here" you say, ever so casually. **BOOM!** So. Much. Win. It's a luxury Stretch Hummer, privately chartered for your bucks party group and it's all hotted up. iPod connection, DVD and CD player, BYO, three TV monitors, a strobe lighting show and not one but **two built-in bars**. Ostrich skin upholstery with a high-tech sound & light systems. This is true head-turning transport that only befits the best of Sydney Bucks.

Dropped to the door of your **own VIP lounge**...This incredible bar & dining establishment has been restored to its former glory and I have yet to find a review that doesn't rate its décor as highly as its food – I promise no empty bottles at the end of the night. Here to welcome you to your own private room are **two topless stunners** clad in little else but sky high heels draped over the couches and awaiting your bucks party's arrival! & just when your buck and the lads are thinking this night really couldn't get much better, we present you with an enviable **beverage package** that includes **3 hours** of house beer, wine and most importantly **house spirits!** Each lad can enjoy his favourite house nip and raise a glass to your buck over and over again - scotch, bourbon, rum, vodka, gin etc - will leave you spoilt for choice.

Relax and enjoy the company in your on private lounge – which includes **private pool tables** to enjoy cheap games amongst your group throughout the shindig. Your two stunners are there to ensure your buck is well pandered too, to join in the fun, flirt their **stunning arses off** and ensure all of the lads are in high spirits – your buck won't be able to wipe the smile of his face! They are kept busy ferrying around your decadent **3 course dude food**, kicking off with **platters** of Hors d'oeuvres (that's platters to you Timmy) including Salt & Pepper Calamari, Smoky BBQ Chicken Wings, House Made Mini Beef pies and Chicken Skewers... followed by something more substantial including **Chefs Gourmet Pizzas** with spicy salami, smoked bacon, chorizo and smoked ham & more. Just when you thought these beauties couldn't serve up anymore goodness, the **delicious dessert** appears including vanilla panacottas with seasonal fruit. All of this goes down a treat alongside your beverage package and tastes even better when being served by your **topless stunners!** So much win!

To make all this exclusive **Sydney Bucks Party** decadence complete, after your private lounge dining, drinking and being doted on by your busty beauties, we've organised **complimentary entry** into Sydney's hottest **strip club** and **nightclubs** for your lads to continue the evening in the style you have become accustomed too.

All of this perfectly planned bucks night awesomeness to ensure your best mate has the all-round-winner of a bucks send off he deserves. Transport, Entertainment, Bevies, Stunners, An Excellent Feed, Club and Strip Club entry to kick on – It's all sorted. **You get the glory** of having done him proud and the **hangover that comes with it** – and all you had to do was pickup the phone!
